## Replace Sticker

I **SAY**  
NO

I have chosen to use my replace sticker and realize I may only use it once on my bingo board. I have chosen to use: (circle one) Paperdesk, Screenchomp, Sock puppets, Sonic pics lite, Dabbleboard, Photostory, My Avatar Editor, Prezi, Glogster, or \_\_\_\_\_ that was preapproved by my LMS to replace a tool I would rather not use. I have used this tool in my classroom with my students. I have documented the use of this tool in my lesson plans and it was either on the approved list or was approved by my LMS prior to using the tool.
