Access one of the following sites (or a site you have found on your own) and choose a Web 2.0 tool to utilize. Create a project using the tool. It cannot be an activity already on the TECHNO Board.

Teach Web 2.0

<http://teachweb2.wikispaces.com/>

GOTOWEB20

<http://www.go2web20.net/>

Web 2.0 for the Classroom Teacher

<http://www.kn.pacbell.com/wired/fil/pages/listweb20s.html>

At a staff meeting or vertical Team meeting, explain the Web 2.0 tool and share your project. Your presentation should last at least 10 minutes.

Name _____ Date _____
